PUBLIC SERVICE  
COMMISSION

Case No. 2006-00384

We, the undersigned and families living in the area where a proposed Cingular radio tower is to be constructed at 4044 Ficklin Road wish to say we do not want this tower constructed in the area proposed on the map you provided us.

We believe this tower would devalue our property as well as being too close to a heavily populated area. Ficklin Road is a one-land road and cannot facilitate any more traffic.

Please accept our request not to go forward with this construction in our area.

Sincerely,

Signed: 

3879 Ficklin Road, Mt. Sterling, KY 40353
